

Extra Instruction for Admin

Dong Hang

After Admin logged in, the page would become like this:

The screenshot shows the SENTECH admin dashboard. The top navigation bar is blue with the SENTECH logo on the left and links for HOME, CASE, ADMIN (circled in red), and HELP. On the right of the bar are links for LANGUAGE, the user email dong@sentech.co.jp, and a Log off button. Below the navigation bar, the page title is 'Home'. There are two main sections: 'Recently Received Cases' and 'Recently Updated Cases', each containing a table of case data.

The log in link in the top right most corner becomes log off and the user account (also a link) appears.

The **ADMIN** tag appeared.

By clicking the log off button user would log off the current account. Clicking the Welcome message goes to the reset password page:

After clicking the ADMIN tag, the administrator could go into the admin page. By the way, the administrator could view the full features of this web page.

In the admin page, there are 5 lists could be seen: Person list, department list, member list, role list and model list:

The person list shows all the **nature people** in the Sentech Company. It allows the user to take a glimpse of all person information. User can set up how many rows would be displayed in a page, show only active person. And by clicking Add button, user could go to add a new person page.

The page could be set to display **10, 20, 100** rows.

				<div>Delete</div>			

Here, administrator can set this person active or deactivate, delete this person or edit this person. The Text boxes of last name, first name, start date, phone and email can be editing directly.

When click set member button, administrator could go to add member page and assign this person a member of certain organization:

The screenshot shows a web interface for adding a new member. At the top is a blue navigation bar with the SENTECH logo (セブテック株式会社) on the left and links for HOME, CASE, ADMIN, and HELP on the right. Further right in the bar are links for LANGUAGE, a user email (dong@sentech.co.jp), and a Log off button. Below the navigation bar, the page title is 'To add a new member'. The form contains three fields: 'Role' with a dropdown menu showing 'Programmer', 'Organization' with a dropdown menu showing 'Top', and 'Start date' with an empty text box. At the bottom of the form are two buttons: 'Cancel' and 'Submit'.

The adding a new person page:

This screenshot is identical to the one above, showing the 'To add a new member' form. It features the same blue navigation bar with the SENTECH logo and menu items (HOME, CASE, ADMIN, HELP, LANGUAGE, user email, Log off). The form fields are 'Role' (dropdown with 'Programmer'), 'Organization' (dropdown with 'Top'), and 'Start date' (empty text box). The 'Cancel' and 'Submit' buttons are at the bottom.

In the department list, administrator could observe all the departments in Sentech Company:

Step 3 using SQL server management studio to login into database server:

For Login ID and Password please contact current administrator.

Go to Support database, expand **Tables** and right click **dbo.tuser** select **EDIT TOP 200 ROWS**:

STC-WIN-SERVER\SQ...pport - dbo.tuser					
	id	password	username	acctype	person
